

I am pleased to announce that the
2017 Region 4 Championships
will be held at the
Old National Events Center in Evansville, IN!

Hotel rooms are available through the Evansville Conventions and Visitors Bureau. The connected hotel is brand new and scheduled to open in March. Please book in our block, the price Region 4 will pay for the venue is determined by the number of hotel rooms booked in the block. The less we pay for the venue the more we can support our athletes, coaches, and judges. Thank you for your patience and support of Region 4.
