REGIONAL FUNDING GUIDELINES

Travel grants will be a reimbursement or direct payment to National Travel Systems, airline, hotel, or USA Gymnastics. Funding is not only based on competition, but also team participation and appropriate behavior while on assignment. Athletes that are put on probation or the assignment is terminated early, would be grounds for non-funding. Only injuries that occur or an incident that exacerbate previous malady while at the event will be considered and taken under consideration when funding is requested. Known previous injuries or sport psychology issues precluding participation will be cause for non-funding. The athlete and personal coach must fully disclose any pre-existing injuries or other issues that might inhibit full participation PRIOR to departure for the competition. No travel grant may exceed total expenditures of each specific competition. Receipts showing payment for hotel, travel and entry fees must accompany each grant application. **If the athlete violates the funding policy while at a competition will either not receive funding or if funding has been prepaid, will be required to repay the region for the funding given, within 1**

I authorize USA Gymnastics, to verify the information provided on this form as well as all receipts provided. If any information provided is proven to be false or forged, the athlete will not be eligible for two years for future funding.
